SUN

DAY
GREETINGS

Brighten someone's day . . .

Wanted to tweet you a happy birthday...

does this count?

Welcome to the 2014 Sun Day Greetings Catalog. 2013 was another great year for us. As the line grew, so did our markets and accounts. We'd like to thank all our customers, reps and distributors. We couldn't have done it without you. For 2014 we are adding 90 new greeting cards including our new occasion, Kid's Birthday. We released 10 Kid's Birthday cards this past summer. They did great. Customers were delighted to see them, especially the card illustrated above. We are now adding 6 more and have also included 4 from the regular birthday cards that will make great kid's cards.

By popular request, we also added 5 new Gift Enclosure cards. Further, we added 2 new Boxed Note Card sets and improved our best selling Shells boxed set. We hope you like the new products. Please continue to give us all the valuable feedback that has helped us to grow to this point. We really appreciate your business and look forward to working with you.

Best wishes for an outstanding year!

Sun Day Greetings' cards are based on the exquisite and unique photography of Brenda Kellman and a few other select photographers. The cards are an eclectic mix of photo imagery coupled with simple verse that ranges from fresh, smart and funny to touching and sweet. There are cards specifically designed for most occasions and beautiful blank cards when you want to write your own message.

It all started with a homemade birthday card

I made for my husband, Alan. He loved it so much he couldn't resist showing it to our neighbors and friends. I then started using my photographs to make cards for friends and family. Everyone loved the cards and said we should start a business. As

Alan & Brenda Kellman

it happened, a neighbor was opening up a boutique and was hoping to find a unique card line. She asked us to design some cards for her store . . .

Sun Day Greetings was born!

I loved shooting pictures but worked as a graphic designer. Now I am able to combine my two passions into one profession. Alan, who holds an MBA, worked in various areas of finance and business. Growing weary of the corporate world, he dreamed of running his own business. However, he never saw himself as a salesman. Alan's passion and enthusiasm for these cards made the sales role come naturally and he is absolutely sincere when he talks about them.

I cannot do what he does and he cannot do what I do. This makes us a great team. So here we are, mom and pop, following our dreams with a home based business that we love. Alan and I have a lot of fun and thoroughly enjoy creating and selling our cards. We have appreciated and taken to heart all the encouragement, ideas and suggestions you have given us. Your help has contributed to our success. We look forward to working with you again this year and welcome more of your valued comments and suggestions.

Thank you for your support,
Brenda
