It goes without saying that we're living through a challenging time. At Sun Day Greetings, we feel that it's important we each do a little extra to help. One group of people that have really taken that to heart are the members of the medical profession, in particular front line nurses. With gratitude to nurses, Sun Day Greetings will be **contributing 10% of sales of our Covid inspired cards** through 2021 to the American Nurses Foundation. In addition, with gratitude to our valued customers we are **discounting the price of those cards by 10%** through 2021.

Here is a preview of all our new Covid themed cards:
