Happy Birthday

NEW

GC 2207 BD

This is the age where you care less, enjoy more and have nothing to prove

Happy Birthday

NEW

GC 2206 BD

40

You've collected enough wisdom to know better and enough attitude to do it anyway

Happy Birthday

NEW

GC 2205 BD

Forty is not a hill, it's a view, of everything still left to do

Happy Birthday

NEW

GC 2204 BD

GC 1133 BD

It isn't a birthday...

until some nut gets up to sing!

GC 1132 BD

Happy 29th birthday...

again.

GC 1129 BD

Birthdays are like donuts...

never admit to how many  
you've had.

GC 1127 BD

To me...

you look half your age.

Happy Birthday

GC 1125 BD

Alan Kellman & Brenda Hayes

**It all started with a homemade birthday card** I made for Alan. He loved it so much he couldn't resist showing it to our neighbors and friends. I then started using my photographs to make cards for friends and family. Everyone loved the cards and said we should start a business. As it happened, a neighbor was opening up a boutique and was hoping to find a unique card line. She asked us to design some cards for her store... Sun Day Greetings was born!

I loved shooting pictures but worked as a graphic designer. Now I am able to combine my two passions into one profession. Alan, who holds an MBA, worked in various areas of finance and business. Growing weary of the corporate world, he dreamed of running his own business. However, he never saw himself as a salesman. Alan's passion and enthusiasm for these cards made the sales role come naturally and he is absolutely sincere when he talks about them.

I cannot do what he does and he cannot do what I do. This makes us a great team. So here we are, mom and pop, following our dreams with a home based business that we love. Alan and I have a lot of fun and thoroughly enjoy creating and selling our cards. We have appreciated and taken to heart all the encouragement, ideas and suggestions you have given us. Your help has contributed to our success. We look forward to working with you again this year and welcome more of your valued comments and suggestions.

Our new collection of blank animal cards makes an ideal fit for Zoos & National Parks, beautifully photographed wildlife designs that customers love. Ideal for any occasion — thank you notes, birthdays or just-because moments — these high-quality, eco-friendly cards are blank inside for personalized messages.

Sometimes the best message is the one you write yourself...

“I am just thrilled to have your greeting cards in my store. My staff just loves them and I have had a ball reading through them!”

“We love Sun Day Greetings for so many wonderful reasons. We feel great about buying from a small business and even better for the passion that goes into their work. Between the picture, greetings, and price point, it's a win-win in our store. Our customers don't just buy one card; they buy stacks at a time, and how could they not when the cards are that good?”

**A big fan since 2008**

“Sun Day Greetings has been a great addition to our Retail offerings. The cards are clever, touching, and well made. Availability has been excellent, and their customer service is timely and satisfying.”
